REGULATION FOR MINOR STUDENTS

In the context of linguistic stays and summer programmes for minors, OrbitLingua guarantees that students are under our supervision and that we offer any kind of support they might need during their stay in Orbetello. We provide the presence of teachers or professional monitors while participating in courses, activities, sports and excursions organized by the school.

However, the school cannot guarantee the control of participants during:

- a) the free time outside of scheduled activities.
- b) the free time during the excursions outside the school.
- c) the travel from the host family/“cafeteria” to the school and viceversa.

In addition, all students will have to respect the evening return time established by the school / host family or requested by the natural parents and the rules imposed by the host country regarding the consumption of alcohol and /or drugs.

The school insurance covers students during the time they are under our supervision (at school, during the activities and excursions); for illness, accident, damage and/or injury that may occur to them or that they would cause to third parties and/or things, students must take a private insurance for the entire length of their stay.

I confirm to have read and understood this waiver form prior to affix my signature;
